

## TRADING NAME UPDATE - 1 NOVEMBER 2021

'RSM Risk Assurance Services LLP' becomes 'RSM UK Risk Assurance Services LLP'.

From 1 November 2021, the trading name of RSM Risk Assurance Services LLP will change to RSM UK Risk Assurance Services LLP. This small change is to bring our trading name in line with other RSM Global member firms.

### Does this change impact the service we provide to you?

No. There is no change to our business or to the service we provide to you. Our services and reviews will continue to be provided by your normal RSM team.

### Why are you communicating this change?

Whilst the change in our trading name is small, transparency and communication remain important.

In practical terms, you will see 'UK' added to our LLP name on all correspondence that you receive from us, for example, our invoices and our assignment reports.

### What do I need to do?

Please ensure that our entity name is amended on your systems and that all internal departments are notified of the change. This ensures there is no disruption to your payment process and that changes to supplier details are verified.

### Does there need to be a contract novation?

No, this is just a change to our registered name, the legal entity providing the services to you is not changing.

### Further information

If you require any more information on this change, please contact your RSM contact or your credit controller [Susan.Mcilwraith@rsmuk.com](mailto:Susan.Mcilwraith@rsmuk.com)
