- 

**Implications**

This table provides a short statement of the impact of the recommendations in this report.

**Will this report affect any of the following?**

	<b>Yes / No</b>	<b>Impact / Reference</b>
Financial Implications	Yes	Financial implications in the report are considered in budget workshops on 13 <sup>th</sup> January 2023, the FRA committee meeting on 2 <sup>nd</sup> February on the 2023-24 budget, and medium-term financial strategy

Risk Management	Yes	The Corporate risk register will be updated accordingly
Legal Implications	Yes	The Fire Service Act 2004 and National Framework 2018 places a statutory obligation on Bedfordshire Fire and Rescue Service to produce a Community Risk Management Plan
Privacy and Security Implications	Yes	Applicable to consideration of national security risks, consultation and community engagement
Duty to Collaborate	Yes	Applicable and included in the section on Collaboration Principles
Health and Safety Implications	Yes	Applicable and included in the People aspects of the CRMP report
Equality, Diversity and Inclusion	Yes	Equality, Diversity and Inclusion is mainstreamed and integrated throughout the CRMP report
Environmental Sustainability	Yes	Applicable and is a theme raised in community consultation.
Consultation and Communication	Yes	Extensive consultation and communication has been used in developing the CRMP. The final CRMP report will be published on the Service website.

## **PURPOSE:**

To present Members with the final draft of the 2023-27 Community Risk Management Plan (CRMP) prior to being prepared for publication.

## **RECOMMENDATION:**

- i) That Members review and approve the final draft of the Authority's next 4-year Community Risk Management Plan (CRMP) covering the period 2023-27.

### 1 Executive Summary

- 1.1 Bedfordshire Fire and Rescue Authority (the Authority) received overwhelming support for proposals and have a rich baseline of comments and insight from which to draw on over the next four years in line with the Service Value 'Every Contact Counts'. Strongest support is for the new mission statement and investing in the estate.

1.2 In response to consultation and engagement, the CRMP for 2023-27 contains a number of new features and looks very different to the 2019-23 CRMP.

## 2 Background

2.1 Members can clearly see the genesis of our latest CRMP and have been well involved in its development.

2.2 The CRMP is structured as follows:

- Foreword
- Contents
- About Us
  - Bedfordshire Fire & Rescue Authority
  - Bedfordshire Fire & Rescue Service
  - Our Values and Behaviours
- Our approach to future planning and risk management – Towards 2050
  - Community Risk Management Planning
  - Statutory Drivers - Legislation
  - Strategic Assessment
  - Collaboration & Partnerships
  - Accountability
  - Summary of our Community Risk Analysis 2022
- Our Strategic Direction
  - Our Mission and Strategic Commitments
  - Prevention Strategy: Preventing fires and other emergencies from happening
  - Protection (Building Safety) Strategy: Protecting people and properties when fires happen
  - Response Strategy: Responding to fires & other emergencies quickly & effectively
  - Engaging & building closer relationships with our communities, businesses and partners
  - People Strategy: Investing in our people to be the best they can be, to serve you better
  - Making every penny count, using our resources in an environmentally sustainable way
  - Assets & Environmental Strategy
  - Digital, Data, And Technology Strategy
- Appendix One - Our focus for 2023/24

3 Next Steps

- 3.1 Once approved the CRMP will be added to the Service website, we will populate with the year-end facts and figures for 2022/23 and double check all linked documents have been added and links to other information work properly. We will be using our corporate branding on the colour palette.

4 Recommendations

- i) That Members review and approve the final draft of the Authority's next 4-year Community Risk Management Plan (CRMP) covering the period 2023-27.
