1. Introduction

- 1.1 The Members of the Audit and Standards Committee previously endorsed that the Committee should receive monitoring reports at each of its meetings advising of progress against current action plans arising from internal and external audit reports, and the Authority's Annual Governance Statement.
- 1.2 In their meeting on 5 April 2012, Members of the Audit and Standards Committee agreed that progress on the action plans be reported to each meeting of the appropriate Policy and Challenge Group and action point owners report progress by exception to the Audit and Standards Committee. This is the third report to the Corporate Services Policy and Challenge Group for the year 2018/19.

2. Monitoring Report of Actions Arising from Internal and External Audit Reports

- 2.1 The monitoring report of progress made to date against agreed actions arising from internal and external audit reports is attached as Appendix A.
- 2.2 The monitoring report covers, in order, the following:
 - Outstanding actions from internal and external audit reports, including those reports received during 2018/19 and those from previous years, which have a proposal to extend the original completion date.

- Outstanding actions from internal and external audit reports, including those reports received during 2018/19 and those from previous years, which are on target to meet the original or agreed revised completion date.
- Completed actions which are subject to a subsequent or follow up audit. These will remain on the report until this follow-up audit is completed.
- Completed actions that are of a Low risk and do not require a follow-up audit. These will be removed from the report once they have been reported as completed to the Policy and Challenge Group.
- Any actions that have been superseded by new actions. (Actions are removed from the report once they have been reported as superseded to the Policy and Challenge Group.)

2.3 There are no requests to extend the original completion date.

3. Monitoring Report of Actions Arising from the Authority’s Annual Governance Statement

3.1 The monitoring report of progress made to date against actions arising from the Authority’s Annual Governance Statement is attached as Appendix B.

3.2 The monitoring report covers the actions within the 2017/18 Annual Governance Statement (if applicable) which was formally adopted by Members of the Audit and Standards Committee, on behalf of the Authority, at their meeting on 6 July 2018, as part of the 2017/18 Statement of Accounts.

3.3 There are no requests to extend the original completion date.

4. Priority Grades

4.1 The Service Audit Outcomes in Appendix A have a priority grading system. The table below explains the key to the priority grades:

RSM (formerly Baker Tilly & RSM Tenon)	High	Recommendations are prioritised to reflect RSMs assessment of risk associated with the control weaknesses.
	Medium	
	Low	

5. Organisational Risk Implications

- 5.1 The actions identified within internal and external audit reports and the Annual Governance Statement represent important improvements to the Authority's current systems and arrangements. As such, they constitute important measures whereby the Authority's overall management of organisational risk can be enhanced.
- 5.2 In addition, ensuring effective external and internal audit arrangements and the publication of an Annual Governance Statement are legal requirements for the Authority and the processes of implementation, monitoring and reporting of improvement actions arising therefore constitute an important element of the Authority's governance arrangements.
