You should complete the Register with sufficient detail to identify clearly what the interest is. Please do not use abbreviations, initials or acronyms. You are personally responsible for the accuracy of the contents of your entries in the Register. You may be in breach of the Code if an interest is not registered with sufficient clarity. Please mark ‘none’ on the Register if you have no interest to register in any category.

Please continue on a separate sheet of paper as necessary.

It is a matter for Members to decide whether to register with the Monitoring Officer an interest which is not a DPI as defined above but which under the Code has to be declared at a meeting. For example, if a Member knew that a person in the Member’s family (but not a spouse or partner) had a continuing contract to supply goods or services to the Authority it might be appropriate to include notice of the family member’s interest in the Register, as well as declaring the interest if it related to an item on an Authority agenda.

Generally, in deciding whether to register interests other than DPIs, Members need to consider if a reasonable member of the public knowing the full circumstances would consider it was in the public interest to register the interest, as well as declaring it, if it was the subject of an agenda item at a meeting.

*Please register these interests (if any) below and continue on a separate sheet of paper as necessary.*

- Trustees of the Mayor of Bedford’s Charity
